# Your complete guide to this issue's **BONUS VIDEOS**

This issue comes with 10 full-length bonus videos.

As always, these videos are totally free with absolutely no strings attached. You can stream them on your PC, laptop, Mac, iPhone, iPad, smartphone or tablet. No email, credit card or personal information will be requested. You'll also get a free digital version of the entire issue so you can take **18eighteen** anywhere you go.

Here are the highlights of this issue's bonus scenes.

**Blaire Ivory celebrates her 18th birthday with us.** And to commemorate the day, she has her first on-camera cum. Now that's the icing on the cake!

**Morgan Brooke knows her guy likes wet panties, so she soaks hers.** He inhales the scent from her bloomers while she inhales his cock. After fucking her for a while, this guy sops up even more of her cunny honey with her undies and takes another big whiff. Morgan likes the smell of her pussy, too, and enjoys having her panties put in her face. And you know what else she likes on her face? Big wads of cum!

**Nature's calling for Ivy Aura.** She runs to the bathroom and pulls down her panties to unleash a torrent of pee. Now that she feels relief, nature compels her to do something else... and that's to rub and finger her pussy till she cums. Soon she's experiencing another kind of relief, the wave of euphoria brought on by finally cumming after daydreaming about sex for hours.

**Heather Night has a tight pussy and this guy has a big cock.** Her pussy

needs warming up, and after a lengthy finger-banging session, she's ready for that big cock. When she sucks it, she swallows it all the way down to the pubes. And the fucking is just as hot and juicy as the blow job.

**Kylie Quinn's pussy smells and tastes as sweet as the cupcakes she's baking.**

She sticks her fingers in her hot box, rubbing her G-spot so she can get as creamy as those cupcakes. She gives you ample views of her heart-shaped ass and puckered butthole.

**Lolly is a cutie with puffy nipples.**

Her pussy lips are juicy and meaty, but her fuckhole is tiny and tight. She happily drops to her knees to get her throat filled with man-meat. And she's more than willing to lift up her skirt and get fucked in a professor's office!

**Lucy Doll's squeaky voice and school-girl uniform make for one naughty combination.** She opens her legs into a full split and strokes her slit, thinking of a cock splitting her in half.

**Study? Not when a hottie like Adrian Maya is undressing.** She seduces a guy helping her with her homework and soon she's face down, ass up and stuffed with cock.

**Maddie Winters longs to feel the sun on her tiny titties.** It's such a nice day out, she decides to expose her pussy to the fresh air too. Then she rubs her meaty pussy lips and cums hard next to the pool.

**Jodi Taylor and Sweet Cindy team up for a hot three-way.** Get ready for partner swapping, sweaty pounding, dirty talking and cum sharing.

## The Back to School Issue Is a Class Act

Dear Virgin Territory,

I've recently finished flicking through Vol. 27 No. 2, the issue crammed to the brim with gorgeous

18-year-old girls in their school uniforms, and had to write to tell you who my favourite girls are.

I've been a long time reader of over 20 years of your wonderful magazine, and the schoolgirl issues have always created an extra large bulge in my jeans when they arrive at my house. I just love teenage flat-ties, tartan skirts, long white socks, pigtails and big white cotton panties stretched across pert teen girls' bottoms. This issue really does have some incredible pussy on show, starting with the gorgeous brace-faced schoolie Amber on page 54 who is

as cute as a button. Her much-older teacher is soon nailing her over his desk and I don't blame him; she is delicious and seems to enjoy older men. Her tiny shaved pussy, cute smile framed by those braces and tiny A-cuppers had my heart racing and my cock pulsing!

Bella on page 66 is also a big favourite of mine. Boy, oh boy, what a cutie, and at only 5 ft tall, she really is a petite pocket rocket for any older man's penis! The pic on page 68 of her pulling her tartan skirt down to reveal her white panties on her incredibly pert ass is exactly what these 18eighteen schoolgirl issues are all about and had me jerking until I was spurting.

But my absolute favourite girl in this issue is Selina on page 72. Wow. She epitomizes what I love about 18eighteen and always have. She's very petite, tight and very pretty and has some incredible natural teen titties. I'm not afraid to say I've shot a lot of warm cum over her solo pictorial in this issue. It was worth the purchase for Selina alone!

Thank you all involved at 18eighteen, and here's to another 20-plus years of hot, tight, sexy girls! -K., Essex, United Kingdom

## Stroking to Stella

Dear Virgin Territory,

My heart raced with excitement as I flipped through the glossy pages of Vol. 27 No. 2, relishing in the sight of young and innocent girls being corrupted by their horny teachers. However, there was one girl who stood out among them, captured in all her slutty glory starting on page 47, where she's choking on her teacher's cock. That's right, I'm talking about Stella, the blonde-haired, freckle-faced slut who takes it upon herself to fuck her teacher.

From the moment I laid eyes on her, I could tell that she was a natural-born whore, eager to please

Stella's tan lines perfectly frame her crack, buttocks and pussy.

her older man with her tight teenage body and pussy. Her brown eyes sparkle with mischief as the teacher pulls down her skirt and reveals her peachy ass. After sucking him off, she climbs on his desk and spreads her legs to offer up her shaved pussy. Stella's cunt has a tight grip on her teacher's cock as she rides him. And seeing her pressed up against the wall with the teacher entering her from behind was so hot. The load she gets on her tan-lined tits is almost as big as the one I blew while looking at her photos. She's an amazing teen fuck doll. I hope we get to see more of her soon. -J.J., via email

## Myra's Grade-A Pussy

Dear Virgin Territory,

I just finished devouring your annual Back to School issue, and I had to reach out to tell you about my favorite girl in the issue, the stunning Myra. That fiery redhead with those

It might be hard to believe, but Selina's amazing tits are all natural.

#### THIS IS ADULT MATERIAL

All of the performers/models, and all of the characters that they portray, were over 18 years of age at the time of the photography. The content is inappropriate for minors, and appropriate care should be taken to ensure that it is not viewed by anyone under 18 years of age.

This isn't a naked-at-school dream. Myra is actually nude at her desk.

slender curves has got me panting like a dog whenever I look at her pictures. It's like she was made specifically for me, just to drive me wild with desire. As soon as I saw her on the cover, I had to go straight to her layout to see her in the flesh.

Her uniform alone makes my dick drip like an old faucet left on overnight. The sight of her in that schoolgirl garb just begs for something naughty to happen, and I can't get enough of it. It's not revealing or overtly sexy, but it reminds me of the days when I was her age and started having my first sexual experiences. Lifting up a tartan skirt to find a fresh, wet pussy aching for action. And that's exactly what we get when Myra removes her clothing. Her small breasts fit her petite frame, and her pussy is as pretty as they come. I love that she's posing on a school desk, and I hope she left a big wet spot on that seat. I sure left a big wet spot for her in my underwear. I can't wait to see her fuck next. -R.E., Chandler, Arizona

### Roze's Bouncing Boobs

*Dear Virgin Territory,*

Your model Roze is a godsend to horny guys like me. She has incredible tits. She might be small and

slender, but let me tell you, her tits are anything but. Those bad boys are big and perfect, perky and round, just begging for a good squeeze. And don't even get me started on that mysterious smile she's got going on. It's like she knows exactly what we want and she's more than happy to give it to us.

Her body is tight and wanton, just begging for a good fuck. I would love to see those tits bounce as I plow her every which way. Maybe that shy smile of hers would morph into a horny O-face once she felt my fat cock slide into her pussy. And if her pussy is as tight as it looks, she would be in for a real big treat: a huge load from the bottom of my balls—after I gave her a proper fucking and she came at

Roze's tits are the perfect handles to grab as you slide into her pussy.

least twice, of course. Because I'm a gentleman. I would even offer a tissue to wipe that big load off her face, but something tells me that Roze would rather scoop it off with her finger and suck up every drop. I hope one day I get to see if my theory is true. -P.V., via email

### Noelle's Sluttiness Unleashed

*Dear Virgin Territory,*

Noelle from the Vol. 24 No. 2 issue is one hot stacked slut. She's about as busty as an *18eighteen* girl gets, but I'm not complaining. I love her slutty schoolgirl outfit and the way her low-cut top shows off her massive cleavage and areolae. That would get anyone's attention! But it was her

performance in the photos that truly stood out.

The way she took that big cock, stretching out her pussy in the process, was stunning. It showed a level of confidence and sexual prowess that you don't see often. And let's not forget about that load of cum she got on her tits. It looked amazing dripping down her chest in big globs. The way she held herself in those photos, making the best slut face I've ever seen, really made the whole thing even more thrilling. Please keep featuring horny models like Noelle in your magazine. They are the reason I look forward to every issue. -A.F., Toledo, Ohio

### Bella the Spinner

Dear Virgin Territory,

Just wanted to drop a line about Bella, the cute little minx you featured in Vol. 27 No. 2. She's petite and thin with a body that just begs to be explored. Her blue eyes are so pretty, but it's her succulent and soft pussy that really made me fall for her. That tight asshole of hers also looks like it would be an absolute pleasure to tongue.

Bella has this innocent and sweet look about her that just gets my motor running. I'd love nothing more than to eat her pussy and ass, tasting all those sweet, delicate folds. And once I've had my fill, I'd fucking plunge

deep into her, filling her up with my cock until she screams my name. She is the true definition of a spinner, and I would love to see her do just that while riding my meat. Then I would cum wherever she wanted me to: on

her face or chest or in her mouth or pussy. With Bella, the orgasm is guaranteed to be good no matter where it happens.

Keep up the good work featuring models like Bella. She's got something special that really gets me going. Can't wait to see what else you've got in store for her. -F. F., via email

*Juniper*  
Flat & Tender

**This teen is barely legal and fully horny.**

Juniper is the perfect little fuck package. Her flat chest perfectly complements her slender, girlish figure. Her pussy and asshole are tight and welcoming. Her throat opens up for hard cocks. And she loves older men. This guy hit the barely legal jackpot the second she took off her clothes.

**She needs his cock to hit the bottom of her pussy.**

For Juniper, the deeper a dick reaches inside her teen box, the better. She practically wants to feel it in her belly. "I know some girls can't take a guy's full length, but I have no problem with it. I love it. I want him so deep that his balls are slapping against my clit or my taint." **Polly has a wide range when it comes to men.**

Polly is a total knockout who could get any guy she wants. So what kind of guy does she want? "I don't have a specific type. I like all kinds of guys—young, old, tall, short, you name it. I'm more attracted to their energy and the chemistry we have together. Plus, life is all about variety. Why not sample many different men while I'm young, hot and single?" Hear that? You might have a chance.

**Who would we be most surprised to find out you hooked up with?**

"I know this sounds like a porn scene setup, but I actually had sex with a plumber who came to my house. We had major work that needed to be done so he was there a lot. He was in his late thirties and kind of bald but still cute. I jumped on him as soon as we were home alone together."

### **How was sex with the plumber?**

"It was really good. He had a fat cock, and he was rough with me in a way that I like. First, he pinned me against the wall and fucked me standing, then he bent me over a couch arm and pounded me deep and hard. He had good rhythm. I was happy to get on my knees and swallow his load. I still send him nudes when I'm bored."

## Think Less, CUM MORE

A groundbreaking study from the University of Essex reveals the secret to female orgasms: it's all about tuning in to the body. Researchers found that women who are more aware of their internal sensations—like heart rate, breathing, or even hunger—have more frequent and satisfying orgasms, whether solo or partnered.

The study, which surveyed 360 women, discovered that high “interoceptive awareness” (fancy talk for being in touch with your body) boosts orgasm satisfaction by 20 percent in solo sessions. Basically, the more a woman listens to her body, the better the big finish.

For years, orgasms were dismissed as unimportant to female sexual health, but this research shows they're key to pleasure, bonding, and even

mental well-being. When women focus on internal sensations instead of overthinking, they climax more often, making orgasms a win for both body

and brain.

Female orgasms are also a win for the fellas. The readers of *18eighteen* can attest that the better the sex is for her, the better it is for him, too.

I landed late, the kind of late where you just want to get home, kick off your shoes and collapse, you know? The airport was a mess, buzzing with tired travelers and the faint whiff of overpriced coffee. I grabbed my bag, opened the Uber app and booked a ride. A little blue sedan popped up on the map. Driver's name? Maddie. Picture? Bright blue eyes and full lips. Young, maybe a college student. I shrugged. As long as she got me home, I didn't care.

A few minutes later, she pulled up, windows down, music playing—a mix of some pop song I didn't recognize. I tossed in my bag and slid into the back seat.

"Hey there! You Jason?" she asked, flashing a bright smile. She had one of those effortlessly energetic vibes, like she drank way too much caffeine.

"Yeah, that's me," I replied, buckling up. "You Maddie?"

"That's me," she chirped. "Long flight?"

"Too long," I said, leaning back into the seat. "I could sleep for a week."

"I'll try not to bore you, then," she said, laughing, her eyes flicking toward me briefly before returning to the road.

We started chatting—small talk at first. Where I was coming from, how long she'd been driving for Uber. She told me she was 19, taking a gap year before college and driving to save up some cash. She had a quick wit and certainly wasn't shy.

"So, what do you do, Mr. Suit-and-Tie?" Maddie teased.

"Consulting," I said. "Mostly boring stuff."

"Ah, the mysterious consultant," she said with a smirk. "You guys always make it sound so secretive."

"Trust me, it's not that exciting," I replied.

"You don't look boring," Maddie said, her voice teasing. "In fact, you seem like someone who knows how to have a little fun."

That got me raising an eyebrow. "Is that so?"

"Mm-hmm." Maddie's grin widened. "You've got this whole confident 'I've seen some things' vibe. Bet you're a hit at the office."

"Not sure about that," I replied, chuckling because I was starting to enjoy this too. "But I'll take the compliment."

The banter was easy, natural.

Maddie had this way of throwing out comments that were just bold enough to catch me off guard but not so much that it felt inappropriate.

Until she asked if I had kids.

"No kids," I said. "Why? Do I give off dad vibes?"

I mean, yeah, okay, I was 40, but that hardly meant I carried myself like a stuffy old man. Right?

"Not exactly." Maddie glanced at me again with a playful glint in her eye. "More like...daddy."

Okay, I would be lying if I said that did not make me sputter.

She laughed. "Aww, no need to be taken aback. Surely, you know what I mean. You are experienced. Confident. Not like these boys my age who can barely hold a conversation without texting halfway through."

Oh, she was a bold one. I liked that in a woman.

"Thanks," I said, quickly recover-

ing my wits.

Maddie leaned back slightly and sniffed over her shoulders.

"You smell good," she said, smiling, her voice light and breezy.

"Thanks. Guess I cleaned up alright for the flight."

"Better than alright," she replied, her eyes on the road but her tone unmistakably playful.

"You look too well-dressed for someone fresh off a plane," she added with a huff.

I scoffed at her. "And how exactly would you like me to dress, honey?"

Two could play this game, I figured.

"Like this."

It happened so quickly, I barely got the chance to process the events. With a flick of her wrists, Maddie had undone the top buttons of the figure-hugging white blouse she was wearing, revealing her pale, plump

breasts and pink, perky nipples.

"Like what you see?" Maddie purred, the car's engine at full throttle as it sped past the other vehicles. Yet the very real possibility of a horrible car crash was the last thing on my mind as I could only stare at those cute nipples and imagine how they would feel under my hands as I touched and

teased them.

"Hello? Earth to Jason?" Maddie laughed, clicking her fingers before me. "Do you hear me?"

"Of course," I finally said, looking at her with a smirk through the rear view. "And I would like to hear every other sound you can make."

She leaned back again, casting a

**Olivia is as sweet  
as she looks.**

And we don't just mean her personality. Sure, Olivia is a nice girl. But when we say she's sweet, we mean between her legs. Her pussy is tight and shaved and rumor has it that it's as sugary as the lollipop she's holding. "I always taste my pussy juice, and I genuinely enjoy it because it tastes good."

**What made you want to taste your pussy?**

"When a guy goes down on you and then comes back up to kiss you, you can taste yourself on his lips. I liked that experience, so I started licking my fingers and toys when I masturbated. Guys had also told me that my pussy tasted good, but I never fully understood until I took a taste for myself. Now it's a regular part of the way I masturbate."

**Would you ever  
taste another girl's  
pussy?**

"The most I've done is kiss another girl, but I'm definitely curious to try it. It would be so hot if I could find another girl who tastes as good as I do so that I can eat her pussy while a guy fucks my pussy. That would be double the pleasure. The guy could take turns eating our pussies, then we could share a dirty three-way kiss."

**Have you gotten  
nude at the beach?**

"Yes, at a nude beach. That's a lot of fun, but I also like keeping my bikini on so I can get tan lines. But even if I don't get naked, I always need to have a cum when I go to the beach. It's actually my favorite place to masturbate. I'll swim out in the water and rub my pussy till I have a discreet orgasm. If you've never cum in the ocean, I highly recommend it."

A young woman with blonde hair and freckles is posing in a bathtub. She is smiling and looking towards the camera. Her body is wet, and she is leaning back against the edge of the tub. The background shows a window with greenery outside.

**What do you think about when you masturbate at the beach?**

"I like to think about how all the guys staring at me would love to slide their cocks into my wet pussy, especially if they knew I was horny as fuck and rubbing my clit. I have to bite my lip and hold myself back as I cum, but that's hot in its own way. It's my dirty little secret on the beach."

**When sibling rivalry is hot.**

For Daisy, being told that she sucks dick better than her sister is a great compliment. That's what her sister's boyfriend tells her as she wraps her lips around his stiff member. Daisy seduced him when he came by looking for her sister, who was at work. It's scandalous, but that's part of what makes it a turn-on.

**Daisy is not a girl's girl.**

Slapping noises fill the room as Daisy rides him reverse cowgirl, her perky tits pointing to the ceiling. "You fuck better than my boyfriend," she says as he pounds her fast and hard. "I can see my pussy lips gripping. It's so hot," she adds. Daisy may have violated a sister code, but at least she had fun doing it.

**You don't feel bad  
about fucking your  
sister's man?**

"Not really. My sister and I have always been competitive. She's always been better at things than me, but I finally found out what I trump her in. Sucking and fucking! At least that's what her boyfriend told me. He said my pussy is tighter, too." Watch Daisy's XXX scene at [18eighteen.com](http://18eighteen.com).

Mina finds it thrilling to sneak a guy into her room when her parents are home. They think she's doing homework, but she's really riding cock and trying her hardest to not make the bed creak. "Something about sneaky sex turns me on."

**How do you manage to not make any noise?**

"Sometimes it's hard. I'll bite my pillow if I have to, or the guy will cover my mouth with his hand. But at the same time, there's something really sexy about breathing heavy in the guy's ear while having to restrain my moans as I cum all over his cock. I've done the same thing in hotel rooms while my friends were sleeping. It's my thing."

**Was this guy worth the risk of getting caught?**

"Well, the risk of getting caught is part of the fun. But yes, he was worth it. He fucked me really good and then gave me a big, awesome load that filled my mouth so much that it dripped down my chin and onto my tits." naughty glance over her shoulder. "Is that so?"

Ten minutes later, Maddie's car was parked in front of my house. You would think that this was where our steamy but brief encounter had ended, where we smiled and bid each other goodbye. Maybe exchanged numbers and shared a kiss at best.

Well, you would be wrong.

She still had her shirt unbuttoned and those enticing breasts exposed. What a tease!

"So, here we are!" Maddie exclaimed.

"Do you have anywhere to be?"

"Hmm?" Maddie looked at me, surprised, clearly not having expected that.

I shrugged. "If you're free, you're welcome to come inside."

"For a coffee and a chat?" she asked, raising an eyebrow, but it was the velvety edge to her voice that gave her away.

"For the night," I said with a smirk.

One minute we were walking excitedly to my house, the next I was pushing her against the door and kissing the breath out of that pretty mouth.

"Aren't you a slutty, little thing?" I whispered, biting, teasing, tugging. "Giving yourself so willingly to me. Just a random guy you met while on the clock."

The atmosphere between us was electric. Maddie's lips curled into a sly grin, her hands tugging at my tie as she whispered back, "Who says I'm just giving myself? Maybe I'm taking exactly what I want."

Her boldness was intoxicating. She pushed me back just enough to open the door, leading us inside. She tossed her keys onto a side table and turned to face me, her blouse still undone, just enough to drive me wild.

I couldn't hold myself back a second longer. Our lips crashed again and my hands groped her tits, pinching her nipples till she was hissing and they were red under my fingers.

"Mmm, how do you want me?" Maddie breathed near my ear.

"With your big, fat mouth around my big, fat cock," I growled, biting on

that spot under her ear that made her moan so deliciously.

I sat down on the couch, pulling her down with me. She got down on her knees so obligingly, undoing my pants and removing my boxers to reveal my massive cock.

Maddie fondled my dick, giving it a few experimental pumps and watching it twitch.

I whimpered when her tongue brushed against my stiff member, the cool slick of her saliva contrasting with her warm tongue. My dick was coated with a sheen of spit as Maddie lapped every inch of it. God, did she look like a million dollar snack with her eyes closed, head bowed and knees folded.

Once Maddie was satisfied with her ministrations, her lips closed around my cock as she took it deep into her throat. She suckled on my hardening rod, and I couldn't help the moan escaping me from the immense bliss that I felt in that moment. Sparks of pleasure erupted in my nerves with every lick, suck and lave of her tongue. She clearly knew what she was doing.

When her tongue teased over the sensitive underside of my tip? I was gone! Her cheeks were pink and sweaty from the exertion. Tears and drool flowed freely from her.

And then she reached out and began to massage my balls in slow, even strokes. That sly girl!

I knew that I would not last long. Yet when Maddie's tongue dipped firmly into the slit of my cockhead, my orgasm still hit me like an unexpected freight train.

I moaned, low and heavy, as my cock spasmed and my cum spilled inside Maddie's mouth.

Her skillful oral work guided me through my orgasm. She wasted no time in swallowing my cum. Her pretty eyes closed in bliss as she moaned around my dick.

"My turn," I said, still breathing heavily as I came down from the high of my orgasm.

Before she could react, I had pulled her up and made her sit on the couch. Our positions reversed, I got to my knees and pulled down her jeans and then her panties.

"Oh," she gasped when I spread her legs and lapped my tongue between the dripping folds of her cunt.

## A Hot Date

**Would you like to take  
Mia out on a date?**

She'll make it worth your while. Mia likes sex, and unless you fuck up royally, she's down to fuck. "I'm in my fun, slutty era. I go out on dates with guys and we laugh and have a good time. Then we go back to their place and have an even better time. You can't do a walk of shame if you have no shame. Getting properly fucked is nothing to be embarrassed of."

**Tell us about your most recent date.**

"I went to dinner with this guy and then we went back to his place. He said his parents were home but I figured they would be in their room. Well, it turns out their room is right next to his and they had their door open. He told me to be quiet like a good girl, but it was so hard to not moan while he was fucking me. When we were done, their door was closed and his dad was in the kitchen. His dad stopped to talk to me, with my hair all messed up and my makeup all gone. I don't know how much they heard, but his dad seemed to like me."

There's so much to admire in the great outdoors. The trees, the sky...the bare tits and ass. At least that's the case when horny Helen is around. She loves to go on hikes and then get naked and masturbate in nature. "That's how I become one with nature. I get naked and diddle myself on a trail in the woods. It's so naughty and liberating. I have a special place I go to. I call it my cum tree."

**Would you say you're an exhibitionist?**

"Maybe a little, but it's more that I get so turned on feeling my bare skin tingling from the cool breeze. My fingers find their way between my legs, sliding through my wet folds as I moan quietly while I rub my clit. Although I enjoy the privacy, a part of me wouldn't mind if I got caught by a sexy stranger who wants to help finish me off."

## So Fresh

### Even sweet-looking girls have horny pussies.

Ava looks pretty in pink. Wholesome. Like the girl-next-door. As she undresses, she's excited by the idea that you're eagerly watching as she reveals her body. Her skin is fair and her nipples are pale pink and slightly puffy. She pulls down her purple cotton panties and reveals a manicured pussy with closely trimmed pubes. A wetness forms between her lips. She may look virginal, but her desires are anything but.

**Have you had a lot of sex, Ava?**

"Not a lot. In fact, I practically consider myself a virgin. I had sex once, but it was disappointing. I expected it to feel as good as it does when I masturbate, but the guy didn't know what he was doing. So now I'm really hoping that my next sexual experience makes up for it. My poor little pussy is just begging to be licked and filled. But my fingers will have to do for now."

## CHERRY PICKED

continued from page 64

How the hell was she so wet already? Maddie whined, her hand reaching out to grip my hair as she grinded against my tongue, mouth hung open with tiny moans slipping out.

"Ja...Jason...ah!"

I suckled her clit a little more, feeling her squirm, more breathy moans escaping her lips before I pulled back entirely with an obscene wet sound.

"Nooooo," Maddie gasped so cutely over the orgasm I just denied her.

Poor thing. But I had other ideas.

I pushed her gently to lie on the couch and lined my cock with her cunt. Maddie gasped again and her back arched up when the tip of my dick pushed past her lips. My cock filled her up so nicely, hitting just the right spots, making her twist and turn beneath me. Her cunt was clenched so hot and tight around my dick, I could barely think straight. All I could do was rock my hips and push in and in and in, sinking deeper and deeper until I was balls deep in her pussy. And holy fuck, I had never felt this good.

I set a nice steady pace, trying out all the spots, until I found the one that had her screaming at me and desperately raking her nails over my back.

"Ah, Jason," Maddie gasped, mouth

approached my own orgasm. I pulled out at the last second and quickly angled my cock higher, so that the thick, ropy fluid of cum sprayed all over Maddie's face.

**It was not long before she was squirting around my cock, her cunt leaking juicy fluids as she rode out her orgasm.**

wide and eyes lidded. "Ooooh."

I stayed on that spot, aiming for it every time. It was not long before she was squirting around my cock, her cunt leaking juicy fluids as she rode out her orgasm.

Still, I went on, grinding my cock inside her oversensitized pussy as I

She gasped, blinking out some tears as a few drops got into her eyes, but I had no remorse for it.

"So?" I asked, my heart still racing. "Enjoyed the coffee?"

"Yeah," she said, her voice breathless. "But I was wondering if you can cook a full course dinner."

# Odessa

Half his  
age

## Odessa experiences her first older man.

This is her first time with someone over 30, and she's curious what all the rage is about. When this guy begins sucking her supple teen tits and licking her puckered asshole, she understands. Odessa is getting the royal treatment, the kind that only an older, seasoned man can provide.

A close-up photograph of a woman with long, dark, wavy hair and two small pink bows in it. She is looking up and to the left with a focused expression, performing oral sex on a man. The man's penis is visible, entering her mouth. The background is a white, ruffled fabric, possibly a bedsheet. The lighting is soft and natural.

**She's eager to impress the experienced man.**

She shows her gratitude by sucking his cock with lots of gulping and gagging noises. She knows he's old enough to have been with lots of women, so she brings her A-game to this suck-and-fuck session. What she lacks in experience she makes up for with enthusiasm.

**How did you like your first older man?**

"It was so hot. There's just something about an older man's experience and confidence that really gets me going. I loved feeling his rough hands on me, guiding me through every thrust. He knew exactly how to hit all the right spots." Watch the hardcore video for this scene online at [18teen.com](https://www.18teen.com).
